Project Overview In the upscale family neighborhood of Agios Athanasios, there is a residential development consisting of an 11-unit block. The apartments are divided between two remarkable three-bedroom penthouses on the fourth level and studio, one, and two-bedroom apartments on the first, second, and third floors. All of the apartments have the decorative advantage of large roof gardens and 360-degree views of the Limassol region. The greatest in comfort, privacy, and...
